months

March 1 2021

February 28 2025

6
Consortia

€30,5
million

101
partners

Scope of work

The Cluster aims to promote urban health within Europe by utilising synergies among the Cluster members. The Cluster activities will be aligned with relevant ongoing and potential future initiatives on urban issues, also funded under the research and innovation programmes Horizon 2020 or Horizon Europe:

Kick-off and annual cluster meetings

Joint dissemination and communication actions

Establishment of an International Cluster Advisory Board

Organization of thematic workgroups to address key challenges to urban health research and innovation

Outcomes

Cluster website

Social media presence

Newsletters and leaflets

Scientific publications and policy briefs

Thematic workshops
